Investor Relations (IR)

Objectives
1. Build trust and credibility
2. Provide transparent and timely information
3. Foster a fair valuation of the company's stock
4. Attract and retain long-term investors

Key Components
1. Investor Website: Dedicated section on Canhem's website for investor information.
2. Financial Reporting: Regular disclosure of quarterly and annual financial results.
3. Earnings Calls: Conference calls to discuss financial performance.
4. Investor Presentations: Clear, concise overview of Canhem's strategy and growth prospects.
5. Shareholder Meetings: Annual meetings to engage with investors.
6. Investor Outreach: Proactive communication with analysts, institutional investors, and individual investors.
7. Crisis Communication: Effective communication during unexpected events.

Benefits
1. Increased investor confidence
2. Improved stock liquidity
3. Better access to capital
4. Enhanced reputation
